

Remarks

By this amendment, the specification has been amended to reflect prior related applications and to add an abstract on a separate page.

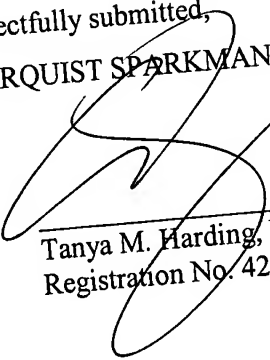

Replacement Drawing sheets 1-12 are provided, which are believed to be clear copies of the sheets filed at the International Stage. No changes have been made to the Figures.

Claims 1-26 have been canceled and claims 27-60 have been added in their place, to remove multiple dependencies and reduce the filing fee. Applicants reserve the rights to any and all subject matter in original claims 1-26. No new matter has been added by this amendment.

If any minor matters remain to be discussed prior to examination, the Examiner is respectfully requested to contact the undersigned at the telephone number listed below.

Respectfully submitted,
KLARQUIST SPARKMAN, LLP
